ABOUT ME

Frontend Developer with one year of experience building user-centered web applications. Skilled in React and TypeScript, with a passion for clean code and intuitive design. Eager to collaborate in a team environment and continuously learn new technologies to improve my skills.

WORK EXPERIENCE

02/01/2024 – CURRENT Athens, Greece

Junior Frontend Developer Wings ICT Solutions

- Contributed to the maintenance and improvement of a logistics app's UI.
- Technologies used include ReactJS with TypeScript, Zustand, and React-Query.

PROJECTS

Teamanager

Teamanager is a fullstack app based on the MERN stack. Its aim is to manage the data of a waterpolo team such as athlete registrations, payments etc. This app was developed for my thesis at the department of Digital Systems of University of Piraeus.

Link <https://github.com/teokanellopoulos/Teamanager>

TaskManager

A simple task management app made with PERN stack.

Link <https://github.com/teokanellopoulos/TaskManager>
